

At Motus Financial, we understand the difficult and uncertain times many businesses are facing amid the COVID-19 pandemic. As you're navigating these uncharted waters for the first time, we are here to help!

We're excited to introduce to you a trusted partner, Workforce Solutions, who's ready to assist with your human resources related questions and needs. Below are a few brief summaries of their many services available.

Ask an HR Advisor

Workforce Solutions provides confidential, compliant advice as well as best practices via our **HR hotline**: (833) HR4-HIRE or **email**:

HR4Hire@WorkforceHRSolutions.com for a modest \$149 per month.

HR ENSURE

For business that need more in-depth support, HR ENSURE is customized to your business needs on an affordable scale. This service is also designed to assist you in achieving your HR goals with confidence. Workforce Solutions offers the flexibility to provide support to your HR team or serve as your fully immersed HR department.

Please see the attached brochures which further detail these service offerings.

Motus Financial and Workforce Solutions believe that your success depends on getting the human resources right. We take care of your human capital, so you can take care of business.
