

# We are here for you.

Continue accepting payments in the face of COVID-19

Get the Motus Virtual Terminal and Paylink for FREE when you sign up by May 31, 2020.\*

Motus offers multiple ways you can safely accept payments while practicing social distancing.

## Curbside Pickup

- Securely process EMV, mag stripe & contactless transactions
- Suggested terminal: PAX D210

## Online Payments

- Easily send "Text to Pay" links so customers can pay online
- No development work needed
- Reduce your security burden

## Over The Phone

- Order is placed via phone & hand-keyed into web-based Virtual Terminal
- AVS and CVV information is added to help keep processing rates low

## At The Time Of Delivery

- Accept payments at the time of delivery with the Clearent Virtual Terminal App
- Eliminates the need for a separate mobile card reader
